Will Speak at the Auditorium on Principles

OF THE SOCIALIST PARTY

Is the First Presidential Candidate to Visit Wichita.

Eugene V. Debs, candidate for president on the Socialist National ticket. will speak at the Auditorium in this city tonight. This is the first time during the present campaign that a presidential candidate has made his appearance in this

Although the arrangements for the meeting were hastly made, the evidences are that the attendance at the Auditorium tonight will be large. Debs has the reputation of being a ready speaker. He has the reputation of a brainy man and the ideas which he is imparting under the socialist movement is new to the people of this state. The socialist party has a following, however, in this county, and the coming of Debs to this city was through the request of socialists of the county, headed by Dr. W. L. Rose, candidate for state senator on the socialist ticket.

Last night and yesterday Debs and over the Prisco and will stop at the Carey In the evening a committee will speet him | od it. at the hotel and the campaign matters will be the principal topic of the conversation. Just before the hour of the meeting he will be escorted to the Auditorium and then the plans for the evening begin. Since the announcement of the coming

of Debs to the city, there has been consierable curiosity evinced among the people of all parties to know just in what manner Debs will handle the issues of the campaign from a socialistic stand-The Democrats are Inclined to think that it will amount to nothing, but at all events he will have an audience composed of thinking people.

G. C. Clemens of Topeka, has charge of the state assignments, for the socialist speakers and it was through his efforts that Debs came to this city. Mr. Clemens will probably be here tonight in company with Mr. Debs on his tour of this part of thestate.
